## M'LAUGHLIN PUTS HIS FOOT DOWN ON M'CLELLAN'S BOOM

**Veteran Leader of Kings County Democracy Says His Nomination Would Be Against the Protest and Votes of the Delegates from Brooklyn.**

**Were It True that Murphy Has Already Offered the Nomination to the Congressman, It Would Be a Return to Tweed's Political Methods.**

Charles Murphy, leader of Tammany Hall, declares: "There is no trouble between Tammany Hall and the Kings County Democracy, and there will not be any."

**BUT**—Boss McLaughlin, leader of the Kings County Democracy, said to an Evening World reporter to-day:

"It is true that the Kings County Democracy regards the proposed nomination of Congressman McClellan for Mayor of New York as inadvisable because of Mr. McClellan's intimate relations with the leader of Tammany and the fact that he is not known to the public to be a strong man personally."

"Will the Kings County delegation oppose Mr. McClellan in the convention if Mr. Murphy persists in nominating him?" Mr. McLaughlin was asked.

**WILL OPPOSE M'CLELLAN.**

"I think it will," was the answer. "Indeed, I am quite confident that if Mr. McClellan is nominated it will be against the protest and in opposition to the vote of the delegates from this county."

"Do you think Mr. Murphy will nominate Mr. McClellan despite the protest, having the necessary vote at his command to do so?"

"I do not care just now to indicate my opinion on that point. I think it enough to say that should he do so he would incur a wholly unnecessary risk of defeat at the polls. It is entirely practicable for Mr. Murphy and his immediate advisors to find a candidate with whom they are on good terms, whose democracy is not questionable and who may even be a member of the Tammany organization, without exciting the opposition of Kings County Democrats and alienating any considerable number of voters, as McClellan would be likely to do."

**WHAT HE INSISTS ON.**

"Then it is not true that Kings County has insisted on the nomination being given to an independent Democrat."

"No. We insist upon nothing, except that the nominee shall be a Democrat likely to attract and not repel independent voters; a man whose recognized integrity and force of character would furnish assurance to the people that honesty and not graft would flourish under his administration."

"It is stated positively in some quarters that Mr. Murphy has offered the nomination to Mr. McClellan."

"Many things are stated positively without being true. I am reluctant to believe that the new leader of Tammany would take a step so inconsistent with prudence, with the best Democratic precedents, and with his own promises."

**WOULD BE LIKE TWEED'S METHOD.**

"Were the reports true I should have to conclude that he had fallen back on the old Tammany tactics of Tweed's time, which brought nothing but ruin to the party. I have for more than fifty years opposed the Tweed method of conducting politics and intend to do so while I live."

"If the best interests of the party are to be promoted there must be reasonable deference shown to the judgment of all the honest elements in the party. Such purely personal motives as the nomination of McClellan would indicate, backed up by a reliance upon a mere majority vote in the convention can never be productive of good to a great political organization."

## OUTTING SLAPS AT FULTON 'IN A LETTER TO JEROME.

**Repudiates the Action of Citizens' Union Secretary, Who Is Expected to Resign.**

R. Fulton Cutting, President of the Citizens' Union, wrote a letter to District-Attorney Jerome to-day in answer to one printed in the newspapers in which the District-Attorney warns the Fusionists against re-nominating Mayor Low. In his reply to the District-Attorney Mr. Cutting plainly intimates that the plan to re-nominate the Mayor has not been affected by the revelations in the Jerome letter. The intimation is also conveyed that the days of Thomas A. Fulton as Secretary of the Citizens' Union are at an end. Here is Mr. Cutting's reply:

My Dear Mr. Jerome:

Your letter to me which appeared in this morning's papers has done me a great service by the publication of Mr. Fulton's amazing letters. I know now the source from which has proceeded the persistent reports of the alleged antagonism of Citizens' Union district leaders to Mr. Low's nomination. At the meeting of our City Committee held last week, when the Conference Com-

**RACE TRACK, GRAVESEND, Sept. 23.**—The card was not much to speak of at Gravesend, this afternoon, the Holly Handicap being the only feature, and about the only race that had any class to it.

The remainder of the card was cheap, so far as quality goes. The fields, however, consisted of well matched horses and as they afforded abundant opportunity for good speculation the crowd was satisfied.

The Holly Handicap had a good field of youngsters engaged and the weights promised to make it an interesting contest. The weather was in its most delightful mood and the track very fast. The attendance was up to its average.

Little Jack Hornet was the first to show, but was outrun by Memorial, who showed the way to the turn, followed by Little Jack Hornet, Wealth, Damon and SalvateLLa. ## CLOSING IN ON DEXTER SUSPECT

**Lawyer Badger Sends Message that He and a Posse Expect to Make an Arrest in Adirondack Murder Case To-Day.**

(Special to The Evening World.)

**MOIRA, N. Y., Sept. 23.**—Thomas Cantwell, of the law firm of Cantwell, Badger & Cantwell, received a message brought by special messenger over the mountains to-day from Mr. Badger, saying that Sheriff Steenberge would make an important arrest in the Dexter murder this afternoon.

Mr. Badger, with John Cantwell, one of his partners, the Sheriff and a posse are in the woods in St. Lawrence County just over the line from the residence on the Dexter preserve, having left here late yesterday behind fast horses.

They will take their prisoner to Santa Clara and thence to Malone to the jail.

The man sought is a lumberman owning a small woodland whose property had been made worthless for logging because of an action by Dexter in closing the streams against him so that he could not flood out his timber.

**MURDERED MAN QUIETLY BURIED IN WOODLAWN.**

Orrando P. Dexter, who was shot and killed from ambush on his estate in the Adirondacks, was buried to-day from St. Thomas's Episcopal Church, at Fifth Avenue and Fifty-third street.

The service was carried out with the utmost simplicity. There were no pallbearers, the body having been removed to the church from an undertaking establishment over night.

**Aged Father Chief Mourner.**

The aged father of the murdered man entered the church supported by his niece and Miss Marietta Sanford, with whom he has been making his home. A number of officers and employees of the American News Company and several family friends of the elder Mr. Dexter were in the church.

## ALL RECORDS IN PACING BEATEN BY PRINCE ALERT

**Great Gelding, Driven by Jack Curry, Does a Mile in 1 Min. 57 Secs., Clipping Two Seconds off the Time Made by Dan Patch at Brighton Beach.**

**NEW KING OF PACERS DOES A MILE IN 1 MINUTE 57 SECONDS.**

PRINCE ALERT

(Special to The Evening World.)

**EMPIRE CITY RACE TRACK, Sept. 23.**—Prince Alert is the new King of Pacers.

In a trial against time on this track this afternoon the great gelding, driven by Jack Curry, paced a mile in 1:57. That is two seconds better than the best previous record of 1:59, made by Dan Patch at the Brighton Beach track last month.

Five thousand people were at the track and saw the great race against time. The horse had a perfect pace and never broke. As he sailed passed the quarter there was something in his stride which told that he would succeed in his effort.

When the timer's board announced the time for the first quarter of 29 seconds great cheers went up. The horse flew faster to the half-mile post. He reached it in 58 seconds, one-half a second behind the world's record for the distance.

Greater cheers and more voluminous now-greeted the horse. He went to the three-quarters in 1:26 1-4. Everybody held their breath. He had to do the last quarter in but 32 seconds to accomplish his feat. Down the stretch he flew at a terrific clip and shot by the judges' stand.

No figures were necessary to tell of the successful trial. The thousands got on their feet and cheered for fully five minutes.

Then when the judges announced the time as 1:57 for the mile and a new world's record the cheering lasted until Prince Alert was on his way to his barn.

Prince Albert, driven by Jack Curry, paced a warming up mile in 2:08 1-2. This was only a jog for the gelding. He was paced by a runner driven by Demorest, his regular driver.

The pace-making sulky was rigged with a new wind shield which was intended to assist the road breaker in his attempt against the record.

The pacemakers' sulky carried a heavy piece of canvas between the wheels of the sulky and extending from the seat down to the ground. There was a canvas arrangement of semi-circle style which also protected the driver from the wind.

The reins were run through the canvas, leaving only the head of the driver exposed.

**EXPOSITION PARK, PITTSBURG, Sept. 23.**—With the announcement that Hans Wagner would go into the game to-day the sanguine hopes of the Giants dropped a peg or two, as the broad-shouldered German is more feared by the New Yorks than any other player in the League.

Capt. Clarke, who was injured in yesterday's game with Brooklyn, has gone to a hospital in Youngstown, and it is understood he will be unable to play again this season.

Leever was slated to pitch for the Pirates, while McGraw said before the game that he would try Taylor. Taylor's arm has been a little stiff recently, and it may be that he will not last the game. Cronin will probably "sub" for him. Mathewson has been primed for two games, and on them a large amount of money has been wagered.

**First Inning.**

Browne fanned. On Leach's wild throw to first Bresnahan took two bags. Wagner took McGann's pop fly. Mertes hit for two bags in right, scoring Bresnahan. On Bransfield's bad fielding Mertes took third. Babb out. Ritchey to Bransfield. One run.

On Beaumont's long fly Phelps got the home run. McGann's four bags, scoring Phillippi and Sebring stole and came home on Leach's two-bagger in right. Wagner flied to Gilbert. Five runs.

**Third Inning.**

**Fifth Inning.**

Warner couldn't beat the Wagner-Bransfield combination to first. Taylor Leach's single. Wagner made another centre. Mertes scored. Lauder and Sebring stole and came home on Leach's two-bagger in right. Wagner flied to Gilbert. Five runs.

**Sixth Inning.**

McGann singled through second. Mertes tripled to centre. McGann scoring. Browne out to Bransfield. Sebring caught Ritchey's line fly and doubled Bransfield out at first. Curtis singled. Phelps and Taylor runs.
